

# Fresno COG Regional Active Transportation Plan

Tuesday, August 8, 2017

4:00pm-6:00pm

City of Fowler Council Chambers, 128 S. 5<sup>th</sup> St.

## What is Active Transportation?

- Active Transportation is human-powered travel, including walking, bicycling, and using a wheelchair.
- Walking and biking improve health, save money, and help the environment.
- Many neighborhoods were developed without good sidewalks and bike lanes.

## Project Overview

- The [Active Transportation Plan \(ATP\)](#) will be a comprehensive guide that creates a vision for a network of trails, bike lanes, sidewalks, and other elements to support safe walking and bicycling in each city and across Fresno County.
