*The Planning Commission is a five member board, appointed by the Mayor, serving four year terms. The Commission conducts public meetings and makes decisions on various project applications including: use permits, variances, parcel maps and design review for residential, commercial and industrial development. The Commission makes recommendations to the City Council on amendments to the General Plan and Zoning Ordinance and subdivision maps. All new construction in the City is generally subject to Planning Commission review with the exception of minor expansion of residential structures and interior remodels.
